

# PROVIDING AN INTERNATIONAL EXPERIENCE IN NORTHERN ONTARIO

Conseil scolaire catholique Nouvelon schools have a well-earned reputation for the academic excellence and welcoming atmosphere they offer students. International students can choose from among four CSC Nouvelon secondary schools.

## WHAT AWAITS YOU

### A HIGH LEVEL OF BILINGUALISM

Students take all their courses in French while perfecting their English-language skills in a community where English is the dominant language.

### TECHNOLOGY-CENTRED LEARNING

With easy access to learning tools that are at the leading edge of technology, students at our schools acquire the skills they need in the 21<sup>st</sup> century.

### AN ACADEMIC PATHWAY TAILORED FOR EACH STUDENT

Our schools offer students a made-to-measure academic experience, whether in music, sports, science or art. Besides being able to take advantage of a vast choice of courses, students can reap the benefits of specialized programs that prepare them for post-secondary education.

### A BROAD CHOICE OF EXTRACURRICULAR ACTIVITIES

Students can join a wide range of sports teams, special-interest clubs as well as cultural and pastoral activities.

Located around 400 kilometres from Toronto, the **City of Greater Sudbury** has a population of close to 160, 000 inhabitants. As a medium-sized city, Greater Sudbury provides a secure environment that has all the advantages of big-city life.

Greater Sudbury is well known for its cultural diversity and high level of bilingualism. Nearly 40% of the population speaks both French and English.

Surrounded by pristine lakes and forests, Greater Sudbury is proud to offer its residents a wide range of winter and summer outdoor activities such as cross-country skiing, swimming, cycling, hockey and skating. As a Nouvelon student, you will also be able to enjoy cultural and sports activities.
